Courtice, Mrs A. C

Toronto Home & School Council

TORONTO, CANADA

109 Beech Ave. April 12. 1918.

To Sir Robert Falconer
University of Toronto.

Dear Sir Robert:—

My son Sergt. A. R. Courtice of the O. T. C. is applying for a Canadian Commission, and I understand the application is going to you.

He enlisted one year ago with the Company and I am thankful that he could be of service where he is. ~~but He~~ is exceedingly anxious to go overseas now and I am not surprised.

As you know if he waits to take out his Commission in the Imperial Army there will be no Separation allowance granted for some time after leaving Canada.

As A. R. is my only son and I am in the position of giving my services to the city without Salary, the Separation allowance

over

is important to me, and I take the liberty of soliciting your interest in the matter if it is possible for you so to do.

Yours very truly

Wm. A. C. Courtiss

Mrs. Courtice,

109 Beech Avenue,

Toronto.

Dear Mrs. Courtice:

If the application of your son for a Commission comes to me I shall be very glad to support it, though I have never yet made application on behalf of any individual for a Commission, as I feel in my position I ought not to do so. All I can do is to testify as to my belief as to the efficiency and character of those who are applying.

With kind regards, I am,

Yours sincerely,

President.
